

# Newspaper Suite™

## Single Copy Edition

### Mobile Billing & Printing Single Copy Edition

#### Enhanced-Productivity Module

Extend your current circulation system or use our module as a stand-alone system to manage your single-copy business on the go.

### Print invoices at point of sale.

Equip drivers to maximize activities in the field.

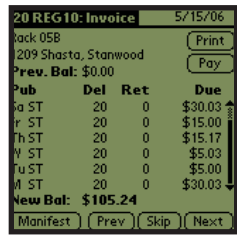

- Delivery Receipt
- Signature Capture
- Invoice Printing
- Payment Receipts
- Collection Summaries

### MOBILE RECEIPTS:

With this add-on module, your drivers will be able to capture signatures in the field when deliveries are made.

### MOBILE PRINTING:

Using rugged mobile printers, delivery receipts, invoices, payment receipts, and collection summaries can be printed in the field.
